The wording of this form may not be changed by the publisher or by the author.

Manuscript Title:

Publication: ***Journal of Oncology Navigation & Survivorship* (*JONS*)**

Copyright Transfer

The undersigned hereby assigns to Amplity Health (henceforth Amplity) all rights under copyright to this manuscript that may exist in any form, including print and electronic media. The undersigned hereby warrants that the manuscript is original and that he/she is the author of this work and is authorized to sign this copyright agreement. To the extent that the article incorporates material from the works of others, the undersigned has obtained any necessary permissions as stated below. The author also represents that this is an original manuscript that has not been published in any form before and will not be submitted for publication anywhere else without the written consent of *Amplity.* In the event the article is not accepted for publication in the *Journal of Oncology Navigation & Survivorship* the copyright transfer will become null and void.

Author Copyright Warranty

The author signing this form represents to *Amplity* that he/she has the power and authority to sign this form and has obtained consent of all other authors who have contributed to this article to sign this form on their behalf and indemnifies *Amplity* for any breach of this representation.

Material Copyrighted by Others

It is the responsibility of the author, not of *Amplity*, to determine whether any material used in this article requires prior consent and authorization of other parties, and if so, to obtain such consent in writing and submit to *Amplity* before publication of this article. I, the undersigned, hereby represent that the manuscript delivered by me to *Amplity* contains no material that is not my original work unless the written consent of the publisher and owner of that material has been obtained for any reprinted material. I have delivered to you, *Amplity*, together with the manuscript, the written consent of every publisher and owner of any copyright of any material that was used by me in the manuscript.

I further represent that the publication of the manuscript delivered by me will not violate the U.S. Copyright Law, unlawfully infringe or interfere in any way with the literary property of another, nor contain libelous matter.
